# HOTEL STAFFING EXPERTS

Building the Foundation of World-Class Service through specialized staffing solutions and industry expertise.

## Hotel Lobby Interaction

The hotel lobby is a vital space where guests first experience **exceptional service**. Our dedicated staff ensure every interaction is memorable and welcoming, setting the tone for an outstanding stay.

## Culinary Excellence

Our kitchen teams embody **culinary excellence**, with chefs skilled in crafting exquisite dishes. They bring creativity and international standards to every plate, ensuring guests enjoy a remarkable dining experience.

## Front Desk Service

Front desk personnel are crucial in ensuring **smooth operations**. They efficiently handle guest check-ins and inquiries, providing a warm welcome and addressing needs promptly for an exceptional stay.

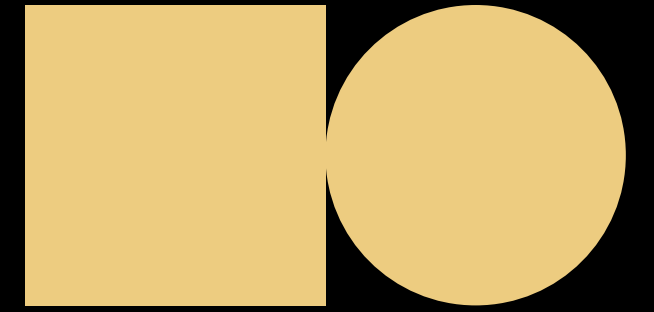

## Housekeeping Team

Our housekeeping staff plays a critical role in maintaining **impeccable cleanliness**. Their attention to detail ensures every guest room meets the highest standards, contributing to overall guest satisfaction and comfort.

# CONSTRUCTION STAFFING SOLUTIONS

## Project Management

Securing project leaders, engineer, designers, and project coordinators. From top-level planning and analysis to long-term facility maintenance and site/plant management. We have the leadership you need.

## Skilled Trades

Our licensed electricians, pipefitters, welders, plumbers, painters, and carpenters adhere to OSHA guidelines and ensure a safe and professional environment. Our team is qualified and adaptable to your ever-changing needs.

## Civil Trades

Our heavy equipment operators, traffic flaggers, concrete finishers, and landscapers are capable and experienced in both heavy civil and commercial site development to ensure the project stays on schedule and in budget.

## General Labours

Controlled cost, decreasing liability, avoiding payroll taxes, and reducing the administrative burden. We hire and staff skilled and unskilled labor for all construction, maintenance, and demolition needs.

# RESTAURANT & QSR STAFFING: Excellence Across Your F&B Ecosystem

## Management & Supervisory Roles (Front-of-House)

Our staffing solutions provide skilled professionals to ensure exceptional guest experiences.

## Back-of-House Culinary Brigade (BOH)

We connect top chefs and kitchen staff to deliver culinary excellence.

# Horticultural & Agricultural Staffing Experts

## Skilled Cultivation Team

Experts in planting, soil health, and irrigation. Ensures sustainable practices for high-yield crop growth.

## Expert Harvesters & Pickers

Trained for selective and efficient harvesting of fruits and vegetables. Focus on quality and maximizing yield.

## Farm Equipment Operators

Certified operators for tractors and harvesters. Handle machinery maintenance and ensure safe field operations.

# SPECIALIZED DOMESTIC SUPPORT SERVICES

## Care Keeper

Assistance with elderly care, mobility, medication, and daily living activities.

## Baby Sitter

Safe, attentive child supervision, engaging activities, and children's meal prep.

## House Maid

Housemaid duties include cleaning, laundry, cooking help, dishwashing, organizing, and basic household care.

## Housekeeping & Cleaning

Deep and regular cleaning (dusting, vacuuming, mopping), plus full kitchen and bathroom sanitization.
